

## Women in Mining - Northwestern Ontario

### Scholarship Application

WIM - NWO strives to provide a supportive network that promotes the advancement of women in their mineral and mining careers by raising awareness of challenges faced by women, advocating for diversity, and supporting exploration and mine development in the region. Each year we host a series of networking events in Thunder Bay and plan to expand our reach within the region. In addition to networking events, we fundraise to give annual scholarships to support students working towards a career in the exploration and mining industry. The Northwestern Ontario Mining Scholarship is awarded annually by the WIM - NWO. For more information about our organization, please visit our website at [www.wimnwo.com](http://www.wimnwo.com).

All students enrolled in mining-related programs and connected to Northwestern Ontario are eligible to apply for the scholarships. To apply, please send us some information about yourself, answering the following questions:
